That's a hotel that got demoted from a Holiday Inn to an independent a couple years ago.

To be clear, I want a block of rooms that we're paying for regardless of occupancy so we make sure we have them and can manage personnel change outs. The rooms are occupational resources the incident will manage. If occupied, the rooms go on the travel card, if not, the contract pays. I don't know if it can be set up that way.

The Durango Downtown is willing to work with us in a block of 20 rooms on a 2 week basis. They have rooms also for the following next 2 weeks. The only weekend they would need an exact room total is September 05. The room rate for Government rate and for the contractors rate is \$125.00, they just need a government ID and for the contractors they need to let the front desk know that they are there working with the EPA. The GM for the hotel can be reached at Stephen.frazer@oplhôtel.com if you have any questions or concerns with the hotel. The hotel is located at 800 Camino Del Rio Durango, CO 81301 phone number 970-247-5393
